

Parking during Practice and Meets

Parking during meets has been reduced since we can no longer park in the open lot across from the pool and North of W 85th Drive; this is now a construction site with no parking allowed. Please be reminded of the following parking rules:

- ❖ Obey all Arvada City ordinances regarding parking; no blocking of service entrances to businesses, resident driveways, alleyways, fire hydrants, etc.
- ❖ Do not park along W 84th Drive and W 85th Drive posted as “No Parking – Fire Lane”
- ❖ Do not park along the front of the Depot / Pool as this will be designated as a “drop off” zone
- ❖ Do not park at the construction site North of W 85th Place and East of Five Parks Drive
- ❖ Do not park on lawns
- ❖ Please consider parking along W 83rd Ave. between Devinney St and Cole St. It is fairly close to the pool and is a nice morning walk. If you would like a bit longer walk, please consider parking at Meiklejohn Elementary School.

If someone has already parked illegally and have entered the meet, please note their license plate number and their situation and report it to meet personnel so that a public address announcement can be made.
